Pat McHugh introduced Craig Faulk. Craig is one of the founding members of the club, and still lives in the area. Pat's introduction included memories of winning a 1953 MGTD in a poker game for \$150.00. Craig went on to relate some of his early T Club memories that included road trips to Cape Cod and Atlanta. Most of his story-telling involved the numerous break-downs and on-the-road repairs he had to do. The membership thanked Craig for his visit with a round of applause.

Lou VanKoningsveld and Shari Pelic announced that they had Club patches available for \$5.00 each. Sandy exhibited one of the new patches applied to the back of a canvas chair she brought for display.

Shari Pelic reviewed the upcoming car events:

Tom Goff introduced himself as one of our new members. Tom lives in Ann Arbor, and brought his MGTD to the meeting. Tom asked the Club for some help in finding some parts internal to the tach speed reduction box.

Roger Melton announced that he is assisting in the sale of John Bluth's MGs.

There are two cars: one is complete, but needs final assembly.

another one is complete, but is more of a parts car

If any members are interested, contact Roger Melton for pricing.

Guy St. John shared a story with the membership regarding quality complaints on right-angle tach drive units. He explained his recent experience with a brand new unit that was not properly assembled (the end cap was not fully crimped), allowing the internal bevel gear to fall out of engagement. The result is that the tach cable does not spin.

Rita Patrick was the proud winner of the 50-50 raffle. Her haul was \$14.00.

Congratulations to Rita.

The meeting adjourned at 8:30PM.

Respectfully submitted,

Tom Norman – Recording Secretary
